

## Be Your Own Idol Performance and Workshop Series

What it is: Be Your Own Idol is a performance based workshop series dedicated to helping up and coming singers better their performance skills, and get performing experience! There will be special guests including producers, photographers, and other professional musicians offering their feedback and answering questions. We've added a new twist. This time the top 10 performers will be competing for a \$500 cash prize, and a professional recording demo!!! Keep checking the page for more updates.

What you will need: Bring a few song selections prepared to sing. Based on your performance we will choose one song to work on during the workshop series.

What you will learn: After we choose the best song for you, we will go over stage presence, microphone technique and placement, dynamics in vocals, finding your own voice and more! There will also be tools to help participants gain knowledge on bio sheets, recording, marketing, and performance opportunities.

What it will cost you: The cost is \$150 for all three workshops. Save \$25 if registered on or before May 25th!

Because each individual will require one on one training limited spacing is available! Only 20 spots are available for each workshop. Register now!!!!!!
